Seminar On Awareness Program For Women And Child Safety

Faculty of Nursing organized an Awareness Program on Women Safety and Child Safety on 20/08/2025 at the Faculty of Nursing , Dr. M.G.R. Educational and Research Institute.

Aim of the program

- To create awareness among nursing students about issues related to women's and children's safety.
- To sensitize students to the legal framework and protective mechanisms available for women and children.

The session was handled by Mrs. Muthumari, Sub Inspector of Police, from the Investigation Unit for Crime Against Women (IUCAW), Avadi Police Commissionerate . She highlighted the importance of self-safety and child safety, and elaborated on the preventive measures to be taken in day-to-day life. She explained how to manage effectively during emergency situations and emphasized the importance of staying alert and confident. She encouraged all the students to download and use the Kaaval Uthavi App and explained in detail how it can be utilized during emergencies. To create more awareness, she also shared a video on women safety, which was highly informative for the students. In addition, she cited many real-life examples, which made the session more practical and relatable. Outcome of the program

- The students gained valuable insights on handling emergencies and learned the significance of being proactive about safety.
- Students gained in-depth knowledge about women's and child safety measures, laws, and rights. The session enhanced awareness on the role of police and legal bodies in protecting vulnerable groups.
