

‘Deeksharambh – Student Induction Programme 2025’,

Faculty of Education pleased to share the report on ‘Deeksharambh – Student Induction Programme 2025’, on 18/09/2025, for the first-year B.Ed. students.

The Day 1 session was led by Dr. A. Thangam, Associate Professor, Faculty of Education, on the insightful topic “Importance of LSRW (Listening, Speaking, Reading, and Writing).”

She emphasised that mastering the LSRW skills forms the foundation of effective communication—an essential competence for future educators. She highlighted how these four language skills are interconnected and vital for academic success, classroom engagement, and professional growth. By developing strong LSRW abilities, student-teachers can enhance their teaching methods, better understand their learners’ needs, and foster an inclusive and interactive learning environment. The enthusiastic participation and engagement of the students contributed immensely to the success of the session.
