

International Women's Day celebration

We Faculty of Education delighted to share a report of International Women's Day celebration on 10th March 2025. Empowering speech delivered by Dr. K. Geetha, Principal on emphasizing the vital role of women in shaping society. She highlighted the importance of breaking barriers, fostering self-confidence and advocating for gender equity in all spheres of life. Her powerful words encouraged students to embrace challenges, support one another and strive for a more inclusive future. B.Ed. I-year and II-year students actively participated in a vibrant celebration featuring an energetic fusion of music, dance, drama, interactive games and thought-provoking discussions. The event served as a powerful reminder of the significance of collective action in building a more inclusive and equitable society.
