

Subject Lecture Policies and Programmes of Inclusive Education

The Faculty of Education is pleased to share a summary of the Subject Lecture held on 20th December 2024, for B.Ed. I Year students. The session was delivered by Dr. A. Thangam, Associate Professor in the Faculty of Education, who presented an insightful discourse on Policies and Programmes of Inclusive Education. She elaborated on how these policies are designed to ensure equitable access to education for all students, regardless of their diverse needs and backgrounds. She discussed the integration of vocational, scientific, and technical subjects, emphasizing their role in enhancing students' skills and preparing them for the challenges of the modern world. She insisted the importance of creating a learning environment that is both accessible and supportive, enabling every student to reach their full potential.
