## OFFICE OF DEAN (RESEARCH)

### VISION AND MISSION

#### Vision

To provide for contemporary knowledge delivery of global standards, excellence in knowledge creation in emerging areas and mutually rewarding university - societal interaction.

#### Mission

1. We wish to impart relevant training and education to the youth to make them technically qualified, practically competent and skilled human resources, to suit the needs and demands of the modern industries, business or research and development organizations.
2. We also wish to promote ethical values and encourage creative ideas among the younger generation and thereby to develop their entrepreneurial skills which will ultimately benefit the Society and Nation.

## QUALITY POLICIES

We strive to make our University as a Centre of Excellence for Quality Education and Research in the fields of Engineering and Technology, Dentistry, Medicine, Allied Health Sciences, Architecture, Science & Humanities.

The research policy is focused to stimulate, nurture and motivate both young and experienced researchers towards nation building.

We aim to impart technological competence and inculcate dignity, discipline and humaneness to all our scholars.
