

Report on Technology Talk

The Faculty of Education (B.Ed.), Dr. M.G.R. Educational and Research Institute, organized a Technology Talk on the topic “From Chalk Board to Dashboard (E-Content in Education)” on 11th April 2026 from 11.00 a.m. to 1.00 p.m. at Smart Room, Phase II Campus, Adayalampattu, Maduravoyal, Chennai.

The session was delivered by Mr. Bergin G, Content Creator in SCERT and PGT in Physics at Govt. Boys Higher Secondary School, Ramanathapuram. The resource person provided valuable insights into the transformation of traditional teaching methods into digital and technology-enabled practices.

The talk emphasized the importance of E-content in modern education, highlighting tools and techniques that enhance teaching effectiveness and student engagement. The speaker explained how educators can move from conventional chalkboard methods to digital dashboards using innovative platforms and resources.

The session was highly interactive, with students actively participating and clarifying their doubts. Practical examples and demonstrations shared by the speaker enriched the learning experience and motivated future teachers to adopt technology in their classrooms.

The programme witnessed enthusiastic participation from students and faculty members. It proved to be highly informative and beneficial in equipping students with essential digital teaching skills.
