Alumni talk on Importance of Civil Engineering

CONTENT

We are delighted to share summary of the alumni talk on the Importance of Civil Engineering that the Department of Civil Engineering hosted for students of Civil Engineering on September 13 at 3 P.M. in the Smart Room. Dr. RA Depaa, Dy.HoD, gave the welcome address. The speaker was introduced by Ms. Pavithra, a third-year student. Er. K. Chandra Prakash, MD of JC Construction, addressed the students. The alumnus shared practical field knowledge, how to obtain government approval for plan and structural detailing and also he explained stage by stage growth of Civil engineers as an independent entrepreneur and motivated the young future engineers to become an entrepreneur. A formal vote of thanks was proposed by Associate Professor Dr. Arivumangai, who is also the event coordinator. We thank our Honourable President, Er. A. C. S. Arunkumar, for his encouragement and support at all times. We also express our sincere thanks to all executives of our university. Students got motivated by the alumni talk
