REPORT

TITLE

Alumni Interaction Series 17 on "Graduation to Growth: Career Hunt, Freelancing & Entrepreneurship"

CONTENT

The Department of Electronics and Communication Engineering, in collaboration with the ECOMET Association, successfully hosted the 17th Alumni Interaction Series on 21st July 2025 via Zoom. The session featured Mr. Prabhakaran Charles, an accomplished alumnus from the 2009–2013 batch, who currently serves as Director of D-Domain Ltd (UK), a company renowned for its work in Digital Excellence and Business Growth.

The theme of the session, "Graduation to Growth: Career Hunt, Freelancing & Entrepreneurship," resonated strongly with the academic and professional aspirations of today's students. The event commenced with a warm welcome by *Dr. K. Sudhaman, Additional HoD/ECE, followed by an introduction of the guest speaker by Mr. N. Lakshminarayanan, Assistant Professor/ECE.

Drawing from his inspiring journey from student life to becoming an international business leader—Mr. Prabhakaran offered practical insights into career development, freelancing, entrepreneurship, and essential skill-building. His engaging talk encouraged students to broaden their perspectives and consider alternative career paths beyond conventional roles.

An interactive Q&A segment allowed students to pose thoughtful questions, all of which Mr. Prabhakaran answered with clarity and depth, further enhancing the learning experience.

The session concluded with a Vote of Thanks delivered by Dr. S. T. Rama, Asst. Professor/ECE, who expressed heartfelt appreciation to the speaker for his valuable insights and acknowledged the efforts of everyone involved in organizing the event.

We extend our sincere gratitude to our Honourable President and the management for their continued support in promoting initiatives that bridge the gap between academia and industry. Special thanks are also due to our Head of Department, Dr. U. Jayalatsumi, Assoc. Professor/ECE whose guidance was pivotal to the event's success.

A heartfelt appreciation goes to the Association Conveners, Dr. S. Elakkiya, Asst. Professor/ECE and Ms. R. Mathumitha, Asst. Professor/ECE for their dedicated planning and seamless coordination that ensured the smooth execution of the session.

The event received overwhelmingly positive feedback from both students and faculty, reaffirming the importance of alumni engagement in enriching the academic and professional development of current students.

EVENT OUTCOME

The 17th Alumni Interaction Series provided students with valuable insights into career development, freelancing, and entrepreneurship through an inspiring session by Mr. Prabhakaran Charles. The event fostered strong alumni-student engagement, receiving highly positive feedback for its relevance and impact.
