REPORT

TITLE

Alumni Interaction Series 12 on "Industry-oriented skill sets "

CONTENT

The Department of Electronics and Communication Engineering association ECOMET conducted its 13th alumni interaction series at the Seminar hall about "Industry oriented skill sets" on 04.08.2023. The guest of today's session is our proud alumnus(2004-2008), Mr. Rohit Rao, Associate Director, Novac Technology Solutions. He has made the students an alumnus excelling in their field is invited to enlighten and discuss their journey and guide the students. The series includes discussions and presentations by the alumnus and is followed by a doubt clearing session. As one of a kind interaction series, our alumni and students participate in conversations that lead to exchange of exciting ideas and experiences spellbound through his interaction with the students playing to their gallery. He insisted about the traits that are to be followed to taste the fruit of success in both personal life and career. Dr. U. Jayalathsumi, Department Head presented a honorarium as a token of love and appreciation. The Department wholeheartedly thank our Honorable President for his magnanimous support in organizing the event.
