Department of Electronics and Communication Engineering

Event Title	Subject Lecture on " Network protocols"		
Objective of Event	To understand the importance of network protocols and its applications.		
Chief Guest /Speaker Details	Dr.M.Swarna, Associate Professor, Dr.M.G.R Educational and Research Institute		
Date	24/08/2023	Time	02.00PM to 04.00PM
Venue	VLSI Lab	No. of Participants	100

REPORT

TITLE

Subject Lecture on " Network protocols"

CONTENT

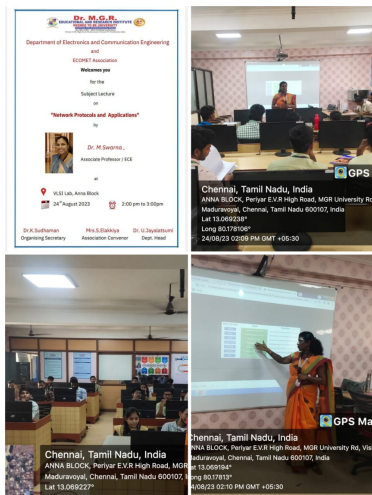

The Department of Electronics and Communication Engineering and ECOMET Association conducted a Subject Lecture titled "Network Protocols and Applications" on 24/08/2023 at 02:00 pm in VLSI Lab AK308. The commencement of the event featured an opening address delivered by Ms. Vaishnavi, a third-year ECE student. Following this, Dr. M. Swarna, an Associate Professor in the ECE department, delivered a guest lecture, shedding light on the importance of network protocols used in various layers of OSI model and their diverse applications in real-time networks. The engagement of third-year ECE students was evident through their insightful questions, showcasing their understanding of the topic. Leading the coordination of the event was Dr. K. Sudhaman, Deputy Head of the ECE department, with valuable guidance from Dr. U. Jayalathsumi, the Head of the ECE department. The Department wholeheartedly thank our Honourable President for his constant support and continuous encouragement in organizing the event.
