EDUCATIONAL AND RESEARCH INSTITUTE

(Deemed to be University)

Maduravoyal, Chennai - 600 095. Tamilnadu, India.

(An ISO 9001-2015 Certified Institution)

MGR ASSOCIATION FOR GREAT INNOVATIVE CREATORS

Department of Electronics and Communication Engineering

Event Title	Subject Lecture on " Advanced Sequential Circuits"		
Objective of Event	The event focused on enlightening the students on the designing , Analyzing ,advantage of different types of Sequential circuits.She also discussed on the application of the Sequential circuits with real time scenario.		
Chief Guest /Speaker Details	Dr.G.Kavitha, Assistant Professor, Dr.MGR Educational and Rearch Institute		
Date	22/08/2023	Time	2:00 PM to 04.00PM
Venue	Technical Talk on "Emerging technologies "	No. of Participants	120

REPORT

TITLE

Subject Lecture on " Advanced Sequential Circuits"

CONTENT

The Department of ECE conducted a Subject Lecture on the topic 'Advanced Sequential Circuits on 22/09/2023 at 2.00pm in the VLSI lab. The event was attended by II year ECE students. The speaker for the event was Dr.G. Kavitha, Assistant Professor, Department of ECE. The event focused on enlightening the students on the designing ,Analyzing ,advantage of different types of Sequential circuits.She also discussed on the application of the Sequential circuits with real time scenario . The session was interactive and enabled the students to enhance their knowledge in field of Digital Electronics and importance of it in daily life &sequential circuits have their advantages and disadvantages, but they play an important role in digital systems design due to their ability to store and use binary values, implement timing and synchronization, and implement state machines.. The event was organized by Dr.S. Deborah, Assistant Professor, ECE department. The Department thanks our Honourable President for his support and all Executives for their encouragement in organizing the event.
