Maduravoyal, Chennai - 600 095. Tamilnadu, India.

(An ISO 9001-2015 Certified Institution)

MGR ASSOCIATION FOR GREAT INNOVATIVE CREATORS

Department of Electronics and Communication Engineering

Event Title	FDP on "Recent Trends in Antenna technology and its Applications"		
Objective of Event	The objective of this event was to provide faculty members with in-depth knowledge of recent advancements in antenna technology and to equip them with practical insights for research and effective teaching in modern wireless communication systems.		
Chief Guest /Speaker Details	Dr Naveen Mishra, Professor, VIT, Vellore Dr.A.PramodKumar, Associate Professor, CMR Engineering College,Hyderabad S		
Date	05/05/2025 to 09/05/2025	Time	02.00 PM to 04.00 PM
Venue	Online	No. of Participants	55

REPORT

TITLE

FDP on "Recent Trends in Antenna technology and its Applications"

CONTENT

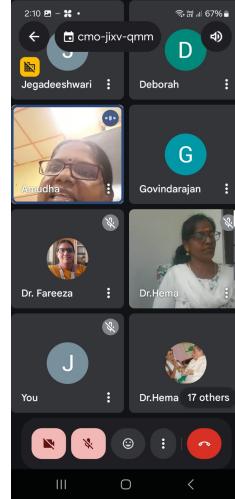

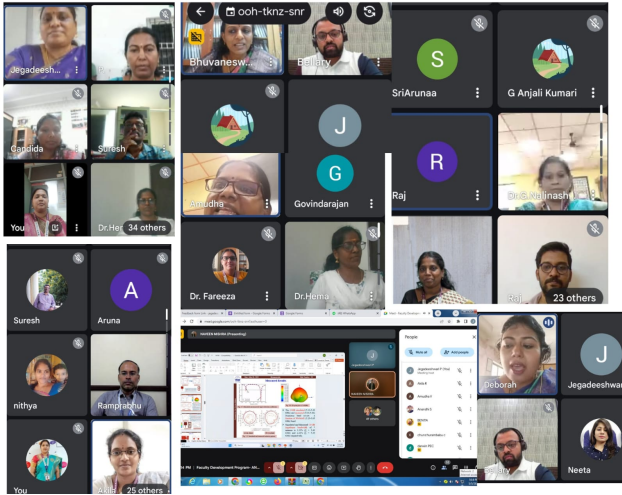

The Faculty Development Programme on "Recent Trends in Antenna Technology and its Applications" was organized by Dr. M.G.R. Educational and Research Institute under the guidance of Dr. U. Jayalakshmi, Head of the Department. The virtual six-day event, held from 5th May 2025 to 9th May 2025, was coordinated by Dr. P. Jegadeeshwari and Mrs. R. Akila. This FDP aimed to enrich faculty with knowledge on emerging antenna technologies including reconfigurable antennas, MIMO systems, metamaterials, wearable antennas, and their applications in 5G, IoT, and biomedical fields. The sessions featured expert lectures and interactive discussions focusing on practical insights and research trends in antenna design, simulation, and testing. The program bridged theoretical learning with industry relevance and innovation. The organizing team extends heartfelt thanks to the President of the Institution, Engineer A.C.S. Arunkumar, for his unwavering support and motivation in successfully conducting this academic initiative.

MGR ASSOCIATION FOR GREAT INNOVATIVE CREATORS

EVENT OUTCOME

The FDP enhanced participants' knowledge of advanced antenna technologies and their practical applications. It fostered research interest and improved teaching methodologies in the field of wireless communication.
