Department of Electronics and Communication Engineering

Event Title	Guest lecture on" Future evolution of Internet of Things"		
Objective of Event	To provide students with insights into the future trends and advancements in the Internet of Things (IoT) through an expert lecture.		
Chief Guest /Speaker Details	Dr. J. Jayalakshmi, Professor, Anna university, Chennai		
Date	21/03/2025	Time	02.00 PM to 04.00 PM
Venue	Seminar Hall	No. of Participants	80

REPORT

TITLE

Guest lecture on" Future evolution of Internet of Things"

CONTENT

The Department of Electronics & Communication Engineering recently had the privilege of organizing a highly informative Guest Lecture on the topic of "Future Trends in IoT" on the 21st of March, 2025, at our university Seminar Hall. This event was an excellent learning opportunity for the third-year students of our department, who actively participated and greatly benefited from the insights shared during the lecture.

The session was led by Dr. J. Jeyalakshmi, a distinguished academician from the College of Engineering, Anna University. Dr. Jeyalakshmi began her lecture by delving into the fundamental concepts of the Internet of Things (IoT). She provided the students with a strong foundational understanding of IoT before progressing to discuss its rapid advancements and potential future developments. Her discussion included a detailed exploration of how IoT is poised to revolutionize various sectors, enhance connectivity, and influence everyday life. Dr. Jeyalakshmi also emphasized the challenges and opportunities that lie ahead, offering a comprehensive outlook on the evolving nature of IoT technology.

Her lecture left an indelible impact on the students, who gained a clearer perspective on the emerging trends and future applications of IoT. The session not

only enhanced their technical knowledge but also sparked interest in exploring the vast potential of IoT in the years to come.

We would like to extend our heartfelt gratitude to our esteemed President, Er. A.C. S. Arun Kumar, and the entire executive team for their unwavering support in organizing this enriching event. Their continuous encouragement and commitment to fostering a learning environment have played a pivotal role in making this event a success. The department looks forward to more such enriching experiences in the future, where students can engage with experts and broaden their horizons.

EVENT OUTCOME

Students gained valuable knowledge about the evolving IoT landscape and its potential impact on various industries, fostering increased interest and awareness in the field.
