REPORT

TITLE

Career guidance program on "Exploring Your Path to Higher Education: Opportunities and Challenges"

CONTENT

The Department of Electronics and Communication Engineering (ECE), in collaboration with the ECOMET Association, successfully organized a Career Guidance Program titled "Exploring Your Path to Higher Education: Opportunities and Challenges" on 18th August 2025 at 2:00 PM in the University Auditorium, RA Block. The session was conducted by Mr. H. Abdul Navas, General Manager, KC OVERSEAS, who provided valuable insights into higher education and career opportunities in countries such as the UK, Canada, the US, Germany, and other European nations. Key discussions included university admission procedures, scholarship opportunities, visa processes, and global job market trends. He also explained the process of GMAT, GRE, TOEFL and IELTS. The session served as a platform for students to engage in an interactive Q&A, enabling them to gain essential guidance on pursuing higher education and international career growth. This informative session was organized by Dr. S. Elakkiya and Dr. G. Kavitha, under the esteemed guidance of Dr. U. Jayalathsumi, Head of the Department of ECE. The Department of ECE expresses its heartfelt gratitude to our Honourable President, the executives, and the ECOMET Association for their unwavering support and contributions in making this event a resounding success. Through such initiatives, the department reaffirms its commitment to academic excellence, professional growth, and preparing students for global career opportunities.
