Department of Civil Engineering

Event Title	Guest Lecture on Role of Quantity Surveyors in Accurate Building Cost Estimation		
Objective of Event	To develop understanding of the critical role of quantity surveyors in managing and controlling construction costs accurately throughout project lifecycle.		
Chief Guest /Speaker Details	MR. Mohammed Suhaib, , Managing Director, Samsco Constructions		
Date	22/09/2025	Time	02.00 PM to 04.00 PM
Venue	CIVIL SMART ROOM	No. of Participants	60

REPORT

TITLE

Role of Quantity Surveyor in Accurate Building Cost Estimation”

CONTENT

We are pleased to share this report on the Guest Lecture “Role of Quantity Surveyor in Accurate Building Cost Estimation” organized by the Department of Civil Engineering on 22.09.2025 at 2:00 pm. The session was started with a warm welcome by Dr. Kavitha HoD and the speaker’s introduction was delivered by our student Vaibhav from III year.

MR. Mohammed Suhaib, Managing Director, Samsco Constructions, Chennai, the speaker highlighted the importance of quantity surveyors in construction projects, emphasizing their role in preparing detailed estimates, rate analysis, and cost control. The lecture also covered modern tools and software used by quantity surveyors for accurate measurement and estimation, which aids in timely project completion within budget. The session was interactive, with students clarifying doubts regarding practical estimation challenges. And the lecture was ended up with interactive session with students.

Dr. V. Manjula, Professor of Civil Engineering, delivered the vote of thanks. The Department of Civil Engineering expresses its sincere gratitude to the Honorable President for his guidance and support, and thanks the executives and management for ensuring the smooth conduct of the event.
