REPORT

TITLE

Institutional social Responsibility "Awareness Program on Save Water"

CONTENT

The Department of CIVIL ENGINEERING Organized ISR -Awareness Programme on SAVE WATER in the

concept of SAVE WATER - SAVE EARTH on 28.3.23

Staff members and student volunteers of Civil Engineering met the public and explain about the

importance and methods of water saving in daily life.all students went on a campaign provided posters to the outside people and spread awareness to the people to save water and uses of water and its necessities to the people.the main objective of the event is to save water and spread awareness among the people and the society

Pamphlets about water saving were given to the public. All kind of people received the pamphlets very

enthusiastic and appreciated the students for this initiative.

Beloved President Sir for his constant support, guidance and providing us the right platform for all our

efforts. students who have participated have showed their constant support and showed a good interest in participating the event and spreading awareness among the society
