| Chief Guest /Speaker Details | Dr S. Virapan, Chairman & Managing Director, Sanvir Associates  |                     |                      |
| Date                         | 15/03/2023  | Time                | 10.00 AM to 01.00 PM |
| Venue                        | Civil Smart Class Room  | No. of Participants | 60                   |

## REPORT

### TITLE

rofessionprofessional Society Event on - Indian Plumbing Association

### CONTENT

The Department of Civil Engineering arranged a Professional Society Event on Celebration of World Plumbing Day on 03.04.2023 for which Dr S Virapan, Chairman and Managing Director, Sanvir Associates was invited as the Chief Guest. Dr T Kavitha, Head of the Department, Department of Civil Engineering introduced the chief guest to the students and plumbers. The international plumbing community, as represented by the Council, has a vital role in promoting the link between good quality plumbing, health, environmental sustainability and, increasingly, economic prosperity.

April 3rd is marked by celebrations, competitions, seminars, and activities all around the world. People from within and outside the plumbing fraternity come together to learn, share knowledge, build connections and find opportunities to collaborate to improve the quality of, and access to, fresh water and safe sanitation.

People from within the plumbing fraternity came and interacted with the students with a "Greet and Hug". They also promoted the link between good plumbing sanitation and human and environmental health.

Dr S Virapan, the chief guest of the day, visited the hostel buildings and gave suggestions for a good and efficient plumbing. He also gave valuable exposure to the
