Venue	Civil Smart Room	No. of Participants	30

REPORT

TITLE

Professional society event on Poster Presentation on BIS

CONTENT

Bureau of Indian Standards(BIS) is a founder member of ISO (International Organization for Standardization). ISO is a worldwide federation of national standards bodies that aims to provide a single set of standards that people world over would recognise and respect.

Bureau of Indian Standards (BIS) in coordination with Department of Civil Engineering organized standard Poster writing competition for the B.Tech third year Civil Engineering students on 09.09.2024 (Saturday) from 11 am to 12.30 pm in Civil Engineering smart classroom. The competition aimed to increase awareness and understanding of standards among the participants. Students were invited to create their standards on a specific topic. The students of Department of Civil Engineering chose "Pacifiers" as their topic and they framed standards for the product. They had a brainstorming session among themselves and covered all aspects of standard formulation. The event held under the supervision of Dr Depaa RA B, the mentor for Civil Engineering standard club.
