Centre for Green & Smart Campus (GSC) expresses sincere gratitude to our beloved president, Er.A.C.S.Arunkumar sir for his constant support towards environmental initiatives. A session on Waste Management in association with Vidhai Vidaipom - an NGO, started with a warm welcome note by Dr.RM.Narayanan, Dean - Sponsored Research & Dean - GSC on 07.08.23, 11.30am at RA block auditorium. Our Respected VC, Dr.S.GeethaLakshmi, inaugurated the session by lighting the kuthuvilakku and delivered the presidential address on the importance of waste management. Dr.V.Cyril Raj, Addl.Registrar in his speech clearly explained the facts and finance potential involved in waste sector. He also motivated the students to take up careers in waste management domain. Mr.Geo Damin, a Structural engineer and an activist from Poovulagin Nanbargal team, gave a detailed insight on the topic followed by a demonstration about plastic waste management by Mr.Manoj Kumar from Urbaser company. Ms.Padma Priya, Founder – Vidhai Vidaipom in her speech included the role of students and young generation in waste management and encouraged the students to participate in all kinds of environmental outreach programs to combat climate change and environmental deterioration. Dr.P.Gomathi Nagajothi, Deputy Dean – GSC proposed a formal vote of thanks to conclude the session. 250 students from Bio technology, Chemical and Civil engineering benefited through the session. We express our sincere thanks to all executives, HoDs of Biotech, Civil, Chemical engineering and
