MGR ASSOCIATION FOR GREAT INNOVATIVE CREATORS

Department of Civil Engineering

Event Title	Symposium - Recent trends in Civil Engineering		
Objective of Event	The purpose of a Symposium is to enable students to improve their knowledge and understanding of a topic by engaging with key issues - participation is therefore necessary and successful participation involves preparation		
Chief Guest /Speaker Details	Mr.B.Suresh, Manager Technical services, Chettinad Cement		
Date	11/11/2024	Time	10.00 AM to 12.00 PM
Venue	Civil Smart Room	No. of Participants	50

REPORT

TITLE

A National Level technical symposium

CONTENT

The Department of Civil Engineering hosted National Level technical symposium AAKRITI 2024 on 11th November 2024. A wide array of events was organized for the budding engineers to showcase their talents. The theme of the symposium was "Recent Trends in Civil Engineering". Mr. B. Suresh, Sr. General Manager - Technical Services, Chettinad Cement and Alumni Entrepreneur Er. Chandra Prakash presided over the inaugural function. Respected Vice Chancellor Prof. Dr. S. Geethalakshmi gave the Presidential address as well as honored the Chief Guest with a shawl, memento and gift. The inaugural session was enlightened by the presence of University Executives like Rector Dr. D. Viswanathan, Additional Registrar Dr.V.Cyrilraj, Joint Registrar Student affairs Dr.T.Felixkala and Dean E&T Dr N Ethiraj. The Head of the Department Dr.T.Kavitha welcomed the gathering. Our Rector Dr.D.Viswanathan motivated the civil students by giving a special address. Our Additional Registrar Dr.V. Cyrilraj gave the speech about the importance of civil engineering domain. The chief guest in his speech addressed the participants about various opportunities for Civil Engineers in Technical domain and emphasized the need of basic knowledge and right attitude to survive and excel in the civil industry. Er. Chandra Prakash shared his life story and gave awareness about civil field. Mr Vishwajeet Kumar, Final year M.Tech student of the department who has a startup by the name "Origin Tribes" gifted the Chief Guest with a bamboo dairy showcasing the concept of sustainability. symposium proceeding was released by our Honorable President Sir along with the University Executives. Various technical and non-technical events like Paper presentation, quiz, Elocution competition, Drawing Competition on recent trends in Civil Engineering, Photography, Battle games, Chess and Carrom were conducted to participants from various inter and intra colleges. Students from various Schools like Government Higher Secondary School, MGR Nagar, KK Nagar and Government High School, Vanagaram actively participated in the competitions. Students of Civil Engineering with their tireless efforts coordinated the event with Faculty coordinators. Dr L Ramesh, Joint Registrar EPA presided over the valedictory function in which he emphasized the importance of student publications as well as involved in the distribution of Cash Prizes, Certificates and trophies to the winners of various events in different competitions. The Symposium was organized by Dr. Depaa R.A.B and Er. A. Hemamalini of Civil Engineering department. We express our gratitude to Honorable President Sir for his unwavering support and inspiration throughout all of our endeavours. We sincerely thank all of our University Executives for their encouragement and assistance. Special thanks to the Transport Department for arranging the bus for pick up and drop of School students.

EVENT OUTCOME

Student competitions enhance our students' undergraduate civil engineering experience. Symposia take place across the regions and include competitions, professional and personal development opportunities
