REPORT

TITLE

Certificate Training Program on "Embedded system and Artificial intelligence -in advanced techniques for smart phone service and training"

CONTENT

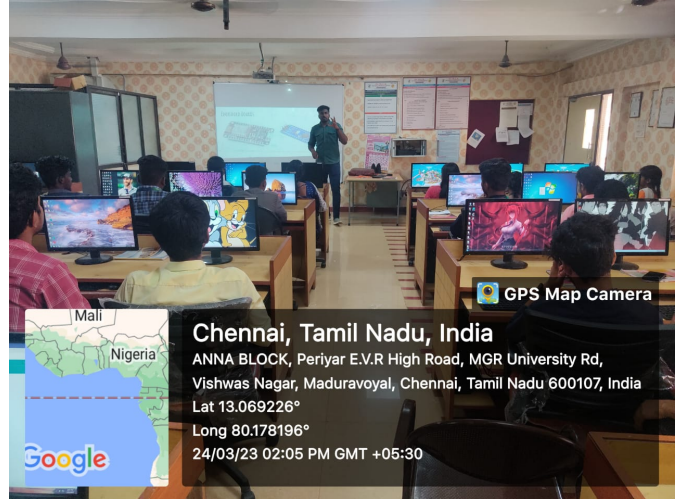

The Department of ECE hosted a 5-day certificate training program for second-year ECE students on the theme of "Embedded system and Artificial intelligence -in advanced techniques for smart phone service and training" From March 20 to March 24, 2023, Over the first two days, the event was held in Anna Block Seminar Hall. On March 23 and 24, the students in the VLSI lab received hands-on training. The speaker was introduced by Bindu SRI II yr ECE student . The founder of MZOPID(OPC)Pvt., LTd., Mr. Dinesh Khsatriyan, was the speaker and trainer for this training programme. Basic ideas in electronics, arduino, and chat GPT were taught to our students with hands on experience. The students' knowledge of AI was expanded thanks to this interactive programme. Mr. Manivannan, AP/ECE, and Amuthanantham.K, AP/ECE, organised this event under the guidance of our HOD Dr. U Jayalathsumi. The department thanks the support of our esteemed President and the Executives for their encouragement in organizing the event .
