

## **REPORT ON ISR EVENT - SAY NO TO DRUGS - SCHOOL AWARENESS PROGRAMME ON THE OCCASION OF THE PRESIDENT'S BIRTHDAY**

On the occasion of the birthday celebrations of our Honorable President, Er. A.C.S. Arun Kumar sir, the Faculty of Education (B.Ed.) organized a " Say No to Drugs" Awareness Programme on 25 June 2026 at Jaigopal Garodia Vivekananda Vidyalaya, Avadi, Chennai. As part of this special celebration, we conducted the programme as an ISR initiative to promote social responsibility and spread awareness among school students about the importance of leading a healthy and drug-free life.

The programme aimed to educate students about the harmful effects of drug abuse and encourage them to make informed and responsible life choices. Through this initiative, students were sensitized to the physical, psychological, social, and legal consequences of drug addiction.

An informative video on drug abuse and its adverse effects was screened to create awareness among the students. This was followed by a PowerPoint presentation highlighting the causes of drug use, its impact on individuals and society, and various preventive measures that can help young people stay away from harmful substances.

An interactive Question and Answer Session enabled students to clarify their doubts and actively participate in meaningful discussions. The session witnessed enthusiastic participation from the students, reflecting their interest in understanding the importance of a drug-free lifestyle.

The programme concluded with an Anti-Drug Oath, during which the students pledged to stay away from drugs, make healthy choices, and contribute towards building a drug-free society.

The programme was highly informative and impactful, successfully spreading awareness and motivating students to lead healthy and responsible lives.
