ABOUT THE FDP

The Universal Human Values – II (UHV-II) Faculty Development Programme is a five-day intensive programme designed to help faculty members understand and practice human values, ethical living, harmonious relationships, and responsible professional conduct. The programme focuses on developing clarity about self, relationships, family, society, nature, and the larger human order. The FDP enables faculty members to facilitate UHV-II courses effectively and integrate value-based education into teaching, learning, research, and professional practices.

ABOUT THE UNIVERSITY

Aiming to bring about change and progress through education, the Tmt. Kannammal Educational Trust was constituted in 1985 and started Thai Moogambigai Polytechnic College. Within three years of its inception, Dr. M.G.R. Engineering College was founded in 1988, and the Thai Moogambigai Dental College was started in the year 1991. Both the colleges acquired Deemed University status in 2003 as Dr. M.G.R. Educational and Research Institute as per the orders of the University Grants Commission, New Delhi and the Union Ministry of Human Resources and Development, Government of India, New Delhi. Our programs offered under different faculties are affiliated with various government organizations and approved by them. Special Autonomy Status Provided by Govt. of India, A+, ISO 9001-2015 Certified, IQA accreditation.

ABOUT THE DEPARTMENT

Established in 2020, the Department of Data Science delivers industry-focused education and promotes advanced research in Data Science, Artificial Intelligence, and emerging technologies, equipping students with future-ready skills for a dynamic professional landscape.

OBJECTIVE OF THE FDP

The programme aims to:

- Develop an understanding of **self and human aspirations**.
- Understand **harmony in relationships** based on trust, respect, affection, care, and guidance.
- Explore the concept of **harmony in family and society**.
- Understand the relationship between **human beings and nature/existence**.
- Develop an understanding of **ethical and value-based professional conduct**.
- Equip faculty members with methodologies for effectively teaching UHV-II.
- Encourage participants to reflect on their own values, behaviour, and professional responsibilities.
