

Report

Subject Lecture on 'Understanding Learning Disability'

The Faculty of Education (B.Ed.) organized a Subject Lecture on **"Understanding Learning Disability"** on 10th July 2026 at 10.30 a.m. in K101, Smart Room, Adyalampattu, Phase-II Campus.

The session was delivered by **Dr. L. Maria Suganthi**, Assistant Professor, Faculty of Education, with the objective of enhancing the knowledge and awareness of B.Ed. students about learning disabilities and inclusive education.

During the lecture, she explained the concept, characteristics, and various types of learning disabilities, including Dyslexia, Dysgraphia, Dyscalculia, Dyspraxia, and Attention Deficit Hyperactivity Disorder (ADHD). She emphasized the importance of early identification, timely intervention, and inclusive classroom practices to support children with diverse learning needs. The lecture also highlighted effective teaching strategies, classroom accommodations, and the vital role of teachers in creating an inclusive and supportive learning environment. The interactive session enabled the student teachers to gain practical insights into identifying and addressing the learning needs of children with learning disabilities. Overall, the lecture enhanced the participants' understanding of inclusive education and strengthened their preparedness to support diverse learners in future classrooms.
