Report on Student Induction Programme – Deeksharambh (SIP)

We are delighted to present the report of the Inaugural Session held on 24th August 2026 for the B.Ed. First Year students, organized by the Faculty of Education, Dr. M.G.R. Educational and Research Institute.

The session commenced with a serene prayer, followed by a warm welcome to the new batch. A total of 48 students have registered for the B.Ed. First Year programme, of whom 46 students were present and reported for the session today.

The Principal addressed the gathering and introduced the faculty and non-teaching staff to the students.

The students were briefed on the prescribed dress code, personal grooming, discipline, punctuality, professional etiquette, and the importance of adhering to University norms. Special emphasis was given to professional ethics, integrity, respect, and the responsibilities of a teacher. Students were encouraged to actively participate in academic and co-curricular activities for their holistic development. The session concluded with words of encouragement and best wishes for a successful academic journey.

Day 2: 26.08.2026

The Day 2 session of the Deeksharambh – Student Induction Programme ’26 was organized by the Faculty of Education (B.Ed.), Dr. M.G.R. Educational and Research Institute, on 26th August 2026 at the Phase – II Campus, Adayalampattu.

The distinguished speaker, Dr. N. Jayashri, Professor, Faculty of Computer Applications, Dr. M.G.R. Educational and Research Institute, delivered an insightful session on “AI Unplugged: Foundation and Classroom Application for Future Educators.”

She provided the prospective teachers with a clear understanding of Artificial Intelligence and its applications in education, covering AI, Machine Learning and Generative AI, AI for writing and visual design, AI tools for educators, and effective prompting frameworks. The session was highly informative, interactive and practical, enabling the prospective teachers to understand the potential of AI in transforming teaching and learning practices. It also encouraged them to explore emerging technologies responsibly and integrate AI effectively into their future classrooms.

Day 3: 28.08.2026

The Day 3 session of the Deeksharambh – Student Induction Programme 2026 was organized by the Faculty of Education (B.Ed.), Dr. M.G.R. Educational and Research Institute, on 28th August 2026 at the Phase – II Campus, Adayalampattu.

The distinguished speaker, Ms. Pranitha, Assistant Professor, Dr. M.G.R. Educational and Research Institute, delivered an enriching session on “Healthy Diet, Healthy Mind: Nutrition For Effective Learning”.

She highlighted the importance of balanced nutrition, healthy eating habits, physical well-being, and lifestyle management. The session also emphasized the role of proper nutrition in improving physical health, mental well-being, and overall quality of life. Through practical examples and valuable insights, she encouraged the prospective teachers to adopt healthy habits and inspire the same among their future students.

The session was highly informative, interactive, and engaging, motivating the prospective teachers to understand the significance of maintaining a healthy lifestyle for personal and professional excellence.

Day 4: 31.08.2026

The Day 4 session of the Deeksharambh – Student Induction Programme 2026 was organized by the Faculty of Education (B.Ed.), Dr. M.G.R. Educational and Research Institute, on 31st August 2026 at 10.30 a.m. at the Smart Classroom, Phase – II Campus, Adayalampattu.

The distinguished speaker, Dr. Julie Elizabeth A., Associate Professor and Deputy Head (Academic), Department of English, Dr. M.G.R. Educational and Research Institute, delivered an insightful session on “Role of Communication in Classroom Management” for the prospective teachers.

She highlighted the significance of effective communication in creating a positive, inclusive, and well-managed classroom environment. The session focused on the importance of verbal and non-verbal communication, active listening, clarity of expression, teacher–student interaction, and appropriate communication strategies for managing classroom situations effectively. Through practical examples and valuable insights, she emphasized how effective communication skills contribute to building positive relationships, maintaining discipline, enhancing student participation, and creating a conducive learning environment.

The session was highly informative, interactive, and engaging, enabling the prospective teachers to understand the essential role of communication in effective classroom management and encouraging them to develop strong communication skills for their future teaching profession.

Day 5: 01.09.2026

The Day 5 session of the Deeksharambh – Student Induction Programme 2026 was organized by the Faculty of Education (B.Ed.), Dr. M.G.R. Educational and Research Institute, on 1st September 2026 at 10.30 a.m. at the Smart Classroom, Phase – II Campus, Adayalampattu.

The distinguished speaker, Dr. P. Muthukumar, Professor, Department of Physical Education, Dr. M.G.R. Educational and Research Institute, delivered an engaging and enlightening session on “Active Body, Active Mind: The Power of Regular Exercise” for the prospective teachers.

He highlighted the vital connection between physical fitness, mental well-being, and overall academic and professional development. The session focused on the importance of regular physical activity, fitness, healthy lifestyle practices, stress management, and maintaining an active routine. Through practical examples and valuable insights, he emphasized how regular exercise enhances physical health, improves concentration and mental alertness, reduces stress, boosts confidence, and contributes to a positive and productive lifestyle.

The session was highly informative, interactive, and motivating, enabling the prospective teachers to understand the importance of maintaining an active body and a healthy mind. It encouraged them to adopt regular exercise and healthy lifestyle practices, while also inspiring them to promote physical well-being among their future students.
